

AMERICANS FOIL THRUST BY GERMANS

Receiving Information of Enemy's Concentration Plans, Break up Attack With Artillery

GERMANS ARE DEMORALIZED

Thinking Yankee Fire is Signal For an Attack, They Lay Down a Counter Barrage

ENABLE FRENCH TO ATTACK

French Move Their Line Forward North of Loire, Taking Several Germans Captive

(By United Press.)

London, May 11.—British casualties officially published during the past week totaled 40,004.

With the French Armies in the field, May 11.—Information of the Italian front shows that a complete reorganization of the Austrian army in that theatre is under way in preparation for an offensive.

Paris, May 11.—Active artillery fighting around Grivesnes, where Americans are in the line, was reported by the French office today. A surprise attack north of Grivesnes resulted in the capture of 15 prisoners.

With the American Army in Lorraine, May 11.—American artillery in the sector northwest of Toul outmaneuvered the Germans Friday, frustrating an attack on the American line and creating a diversion that permitted the French in the adjacent sector to execute a daring raid.

The Boche placed a gas projector opposite the Americans. It was planned to fire the concentration simultaneously at one point in the allied line, enveloping the objective in gas before the men could don their gas masks.

The layout was almost ready for the signal when the American artillery, receiving information regarding the concentration, subjected it to a terrific shell fire, completely destroying it.

The Boche thought the bombardment was the barrage for an American attack and directed all their artillery on the American left wing in a counter barrage.

The French right wing immediately to the west was untouched by the enemy fire and made a lightning raid into the German trenches, taking over 20 prisoners who then told of the enemy plans.

On the right wing of the Toul sector an American patrol encountered a German patrol and forced them to flee. The German artillery got busy and compelled the American patrol in turn to retire.

French Advance Lines

London, May 11.—"French troops advanced their line north of Loire yesterday evening and took several prisoners," Field Marshal Haig reported today.

"A few prisoners and a machine gun were taken in successful raids west of Merville.

"An attempted enemy raid east of Ypres was stopped by our fire."

Pound Reserve Positions

With the Americans in Picardy, May 11.—American heavy artillery fiercely bombarded the German reserve position behind Grivesnes, Framcourt and other places fronting the American sector Thursday night.

New fires were observed in Montdidier and an ammunition dump was

IS EFFECTIVELY BLOCKED

Ostend Submarine Base Thought to be Closed by Vindictive (By United Press.)

Dover, England, May 11.—The German naval base at Ostend undoubtedly is effectively blocked, as the result of yesterday morning's raid.

The old cruiser Vindictive, three hundred and twenty feet long, lies in the 327 foot channel. Officers and men who participated in the raid reported 5 dead, 29 wounded and 10 missing.

WILL FORM DEFINITE WAR LABOR POLICY

Felix Frankfurter of New York Appointed by President Wilson to Formulate Plans.

TO CO-ORDINATE ALL BODIES

(By United Press.)

Washington, May 11.—President Wilson today placed in the hands of Felix Frankfurter of New York the task of putting into definite form a national labor policy for the war.

Frankfurter's appointment makes him "labor administrator" under Secretary of Labor Wilson. He will co-ordinate under his direction the work of all the labor bodies now existing in the government.

Frankfurter's appointment is an acknowledgment of the radical element in the labor movement. He has been associated with the Liberal element in this country and was a member of the president's investigation committee which went west and inquired into the Mooney case, among others.

He returned recently from a trip to England where he made a careful study of labor conditions.

WAR AND PATRIOTISM SUBJECT OF ADDRESS

Dr. George R. Gross of DePauw University Speaks at Carthage Exercises Friday Night.

TWELVE PUPILS GRADUATED

"War and Patriotism" was the subject of the commencement address which Dr. George R. Gross, president of DePauw university, delivered to the members of the graduating class of the Carthage high school last night.

The services were conducted in the Fletcher Methodist church and were attended by a large crowd of Ripley township residents. In a stirring patriotic address, Dr. Gross appealed to the students to continue their education in order that they might be prepared for the demands which would be made on them at the close of the war.

The class, containing twelve girls and two boys, was seated on the rostrum in front of the church. The girls were attired in simple white frocks and wore corsages of cream roses, the class flower, and the boys wore dark suits.

A musical program was furnished by the Mopani orchestra of Indianapolis and at the close of the commencement address Eugene Butler, superintendent of the Carthage schools, presented the diplomas. The Rev. F. C. Lebert offered the invocation at the opening of the exercises and at the close the Rev. Daniel Ryan pronounced the benediction.

SUMMONED HOME FROM CAMP

Walter English has been summoned home from Camp Shelby, Miss., where he is in training, on account of the serious illness of his mother, Mrs. Margaret E. English.

Thousands Cheer Yankees Marching Through London

Enthusiasm Existing Everywhere Today Surpasses That of Thrilling Days of 1914 At Beginning of the War.

AMERICANS REVIEWED BY KING GEORGE

(By United Press.)

London, May 11.—Thousands banked the streets today along the route taken by the American troops in their parade through the heart of London.

The enthusiasm existing everywhere surpassed that of the thrilling days of 1914.

A stalwart American band headed the first battalion. A stock guard band headed the second and an Irish

regiment band the third.

As they swung down picturesque bird cage walks between the walls of military men and civilians, the Americans were given a hilarious reception.

When the American soldiers disembarked they were viewed by veteran Tommies. The Sammies marched to their barracks and from there to the parade where they were reviewed by King George.

CONFIDENT CAMP FUND IS OVER TOP

Executive Committee Expects to Hear When Canvassers Report, That Quota is Reached

GENEROUS RESPONSE HERE

Final Report Will Not be Made Until Two Benefits For Fund Are Held Next Week

Rush county residents have "come across" splendidly in the appeal which has been made this week by the Knights of Columbus in behalf of their war camp fund and, as a result the officials are confident that the reports from the canvassers this evening will show that the county's quota has been oversubscribed.

The complete reports which have already been made by some of the canvassing teams speak unusually well for the generous response from Rush county. At least half of the canvassers have not completed their final reports but upon the receipt of them the executive committee expects to be able to report an "over the top" subscription.

Although the drive proper closes this evening and the general canvass will be completed in Rush county the complete report from this county will not be sent into the state headquarters until the last of next week after the proceeds of the bazaar of the Immaculata sodality and the benefit show at the Gem theatre to be given next week, have been tabulated. The benefit show will be given on Tuesday evening and the bazaar will be held Wednesday and Thursday evenings.

"The Knights of Columbus War Camp fund deserves the financial support of the folks back home," insisted Lieut. Hale H. Pearsey formerly of this city who is stationed at Camp Shelby. "If the people could realize even in a minor degree, the good they are doing in all of the cantonments of the country, there would not be the least hesitancy concerning their support of the movement."

"Because the good influence of the huts is open to all soldiers in the cantonments regardless of creed the fund should also be supported by every citizen in Rush county regardless of creed. The support of the war camp fund is a patriotic duty of every one who has the interest of the soldiers life in the cantonments at heart."

KILLED ON WAY TO FUNERAL

Greencastle, Ind., May 11.—William Arnold of Fillmore was instantly killed late yesterday by Big Four passenger train No. 41, which struck the automobile he was driving at the coal tipple at Fillmore. He was a farmer and was on the way to his neighbor's to take them to a funeral. Widow and two children survive.

EIGHT ARE BELIEVED LOST

Explosion Today Destroys Coal Co.'s Nitroglycerin Plant.

(By United Press.)

Wellsburg, West Va., May 11.—An explosion today destroyed the Nitroglycerin plant of the Louise Coal company at Craft Creek, according to telephone messages from that point.

Eight men employed in the plant which was blown up are believed to have lost their lives, it was stated.

MAE RICKETTS IS GRANTED A DIVORCE

Maiden Name of Mae Wewee is Also Restored by Judge Sparks in Circuit Court Today

TWELVE JURORS ARE DRAWN

Mrs. Mae Ricketts was granted a divorce by Judge Sparks from William T. Ricketts in circuit court this morning and her maiden name of Mae Wewee was restored, on payment of the costs. Ricketts defaulted. It is understood that he is at Hope, Bartholomew county, where his father, Charles Ricketts, lives.

The case of Paul D. Norris against Fred Knecht on an account, demanding, \$2,500, was sent to Hancock county on a change of venue and five days will be allowed to perfect the change.

Twelve jurors have been drawn and ordered to report Monday to fill in the regular panel. They are: Carl Gung and Charles Elwell, Washington township; Henry Hungerford and Rex Innis, Anderson; Charles O. Kennedy, Ripley; Albert L. Benson, Center; Edward Austin, Richland; Jesse W. Peters, Union; D. O. Alter and Ira W. Brookbank, Orange; William A. Allen and James L. Alexander, Rushville.

DISTRICT COMMITTEE MEETS HERE TUESDAY

Republican County Chairman Will Elect Chairman and Effect an Organization in Rushville

COUNTY COMMITTEES MEETING

County Chairman Elected

The meeting of the republican committeemen was held in the sheriff's office and re-elected A. L. Riggs chairman; Dr. Frank Green, vice-chairman, Albert Winship, treasurer, and George Helm, secretary. The meeting of the democratic committeemen was held in the democratic headquarters. They selected Sherman Oneal as chairman of the organization. The other officers included John McCoy, vice-chairman; Gates Ketchum, secretary, and Will Inlow, treasurer.

The republican committee of the sixth district will meet here next Tuesday afternoon at one o'clock at the office of Pon Riggs to perfect an organization by electing a chairman, secretary and treasurer. The district committee will be composed of the several county chairmen elected throughout the district this afternoon by the newly elected county committees, which are composed of the precinct committeemen chosen at the primary last Tuesday. This procedure and the dates for the meetings, are provided for in the state primary law.

There is some prospect of Walter Bossert of Liberty being re-elected district chairman by the republicans. No other men have been mentioned as actively seeking the office.

Both the democratic and republican county central committees met here this afternoon to organize.

Miss Pauline Felts of Connersville will spend Sunday here.

SKILLED MEN ARE WANTED FOR ARMY

Calls Issued For Class One Registrants to be Listed for Voluntary Induction.

TO BE HELD OPEN UNTIL MAY 20

Will be Drafted if State's Quotas Are Not Filled—Charles M. Remington Discharged.

The county army selection board has received several calls for registrants skilled in various lines to be listed for voluntary induction into the national army between now and May 20. No quotas for the county on any of the calls have been provided, but if enough men are not listed by May 20 to fill the state quota for the various calls, county quotas will be issued and men will be drafted from class one to fill them.

The board also received word today that Charles M. Remington, one of the three men sent to Fort Benjamin Harrison last Monday, has been discharged as physically deficient. He returned home yesterday.

The board also has instructions to send to the state conscription agent, Major Baltzell, at once the number of registrants voluntarily inducted into the service. This is construed here to mean that the county will get credit for voluntary inductions under the selective draft law on the second draft call.

Congress has passed an amendment to the draft law providing that quotas shall be based on the number of men in class one, instead of on the total number registered, but that no credit shall be given for volunteers. It is believed that the word volunteers does not include registrants voluntarily inducted under national army calls. On the first draft, each registration district received credit for all volunteers.

The board got word today that the three registrants listed for voluntary induction as clerks and called to Ft. Benjamin Harrison, will enroute on the C. I. & W. train due here at 10:55 next Friday morning. The men to be inducted into the service at that time are Guy McBride and John L. Goode of Mays and Thomas Cooning of this city.

The orders for these men to enroute contained the instructions to the board that the men be told not to destroy or mutilate property while enroute. The board received a bulletin a few days ago urging all departing men to be warned because some railroad property had been damaged by drafted men.

The call for listing of registrants for voluntary induction up to May 20 for the first time refers to calling registrants in deferred classes. It says that in case enough are not listed to fill the state quota for the various calls and county quotas have to be provided, class one white registrants physically qualified for general military service shall be selected according to their order number. In case there are not enough, the order says, registrants shall be selected according to order number from Class 2 D and Class 3 K and L.

Men given deferred classification in these three divisions are classed as "necessary skilled industrial laborer in necessary industrial enterprise," "necessary highly specialized technical or mechanical expert of necessary industrial enterprise" and "necessary assistant or associate manager of necessary industrial enterprise."

The men listed for voluntary induction under the skilled mechanic calls will be entrained June 1 for all parts of the country. The sixty-three brakemen, flagmen and conductors are to be mobilized at Fort Benjamin Harrison. The twenty-five locomotive engineers and firemen will enroute for Camp Dix, Wrightstown, New Jersey. Thirty boiler makers

AMERICANS FOIL A THRUST BY GERMANS

Continued From Page 1

burned in Cantigny.

A German patrol made several at-
tempts to capture an American out-
post, but was repulsed.

Five Yankee Officers Taken

Washington, May 11.—Capture of
five American officers was reported
in today's casualty list from General
Pershing.

The list contained 69 names, in-
cluding eight killed in action, four
dead of wounds, four of disease,
seven of accident, three from other
causes and 38 wounded.

Fordson Tractors

The facts in connection with the
distribution of One Thousand Ford-
son Tractors in Indiana by Henry
Ford & Son of Dearborn Michigan,
are—

The Governor, James P. Goodrich,
and the State Council of Defense,
having advised Mr. Ford that the
use of tractors in this state is es-
pecially necessary this year to se-
cure the maximum quantity of food
as a war measure, and the concu-
rence in this opinion by the State
Food Administrator and the Com-
mittee of Food Production and Con-
servation, led Mr. Ford to immedi-
ately order that One Thousand
Tractors be allotted to Indiana, to be
delivered into the State at the rate
of one carload of seven each per
day.

In order to facilitate the arrange-
ments, the corporation known as the
Indiana Tractor Company was or-
ganized to handle the details from
their headquarters, 1327 E. Wash-
ington Street, Indianapolis, under
the supervision of Professor T. A.
Coleman of Purdue University, the
State Leader of County Agricultural
Agents and to distribute the trac-
tors through the instrumentality of
county and local Ford dealers and
other distributors, direct to the
farmers, the whole transaction in-
volving no profit whatsoever to any
of the persons contributing their ser-
vices, nor upon the part of the man-
ufacturer.

Ray Keys of Rushville has ar-
ranged to distribute seven of the
Fordson Tractors to the farmers in
this locality and is hopeful that they
will be received in the near future.

This is a patriotic effort of prac-
tical value and will do much towards
the winning of the war and the fu-
ture prosperity of the farmers of In-
diana.

FUNERAL OF DR. I. F. SMITH HELD FRIDAY

Former Posey Township Man Ex-
pires of Dropsy Developing
From Blood Poisoning

TWO CHILDREN SURVIVE HIM

The funeral services for Dr. I. F.
Smith, a former resident of this
county, were conducted yesterday
afternoon in Indianapolis, after
which burial was made in the Crown
Hill cemetery there.

Dr. Smith resided in Posey town-
ship for several years where he
practiced medicine, but for ten years
before his death had made his home
in Indianapolis where he continued
his practice. Three months ago the
deceased was taken ill with blood
poisoning which developed into
dropsy, causing his death, which oc-
curred Wednesday afternoon.

He is survived by two daughters
Mrs. Lura Addison with whom he
made his home, and Mrs. Reeves
Woods of Arlington, formerly Miss
Mary Smith of this city. Dr. Will
C. Smith and Walter E. Smith of
this city are nephews and Mrs. John
H. Frazee is a niece.

LOCAL GRAIN DEALERS TO ATTEND MEETING

Clark Russell of the Grain Stand-
ardization Bureau of Washing-
ton to Speak at Greensburg

Local millers and grain dealers
will attend the meeting of the grain
dealers of southeastern Indiana
which will be held Monday afternoon
in Greensburg.

A number of prominent men will
attend the meeting when Clark
Russell of the grain standardization
bureau of Washington will give an
address on "Wheat Standard" and
Charles G. Riley, secretary of the
Indiana Grain Dealers Assoc. and
Carl W. Sumus of the United States
Food administration of the milling
division, will appear on the pro-
gram.

feed our soldiers
at the front but
the millions of
women & children
behind our lines

WASTE NOTHING

Catarrh of Throat

Miss Amalie Rusicka, 1449 South
16th St., Omaha, Nebraska, writes:
"I have suffered with catarrh of the
throat. I caught cold and it settled
in my throat, and I coughed badly
and was very weak. I could not sleep
and had no appetite. I had two doc-
tors, and had taken so many different
medicines and found no help. I thought
I will have to give up, but at last
my mother read about Peruna, so I
thought of trying that great medicine
Peruna. I got a bottle of it and in
about four days I almost stopped
coughing, and after a while I surely
found relief, and from that time we
are not without Peruna in our home."

Could
Not Sleep
No
Appetite
Now Well.
We Always
Have PERUNA in the
Home.

Those who object to a medi-
cine can procure Peruna

Amusements

Two dramas, "The Long Green Trail" featuring Virginia Valli, and "The Smouldering Spark" with Bessie Eyton and Thomas Santschi in the leading roles, will be shown at the Gem tonight. In addition to these, "Triple Entente," an extra fast comedy will be shown. Monday night promises to be a good program when Charlie Chaplin will appear in "The Count." A benefit show for the Knights of Columbus War Camp Fund will be given Tuesday, and the appropriate picture, "France in Arms," will be featured.

Drama and Comedy Featured
A powerful drama of love and hidden danger will be featured at the Princess theatre this evening when Corrine Griffith and Evart Overton will take the leading roles in an exciting production entitled "The Menace." "It Pays to Exercise," a rapid fire comedy in two acts will be shown as an additional feature. On Monday evening June Elvidge will star in "The Strong Way," and on Tuesday evening a new Elsie Ferguson photoplay entitled, "The Rose of the World," a dramatization of the well known book by Agnes and Edgerton Castle will be shown. The new balcony has been completed at the Princess theater and is ready for use. Further improvements will be made on it. Manager Easley will carpet the floor and equip it with wicker chairs. It will seat seventy-five people.

As Light Goes Through Glass

Just as light rays penetrate through glass, so current passes freely through Threaded Rubber Insulation. Nearly 200,000 tiny threads in each insulator mark the path for the current flow.

The hard rubber stands guard against the formation of short circuits between battery plates.

There's another reason why the Still Better Willard Battery with Threaded Rubber Insulation is worth so much more than its slightly higher cost. It's the one and only battery with the "Bone Dry" principle that is your absolute assurance of getting a battery as new as the day it left the factory.

SMOTHERING SPELLS

And Dizziness Relieved By Black Draught, Says Ohio Lady.

Coalton, Ohio.—Mrs. Lucy J. Beatty, of R. F. D. 1, this place, writes: "Some time ago I had a great deal of trouble with my stomach. It seemed there was a hard lump formed in my stomach. This lump was sore and every time I would eat I would feel bloated and pained me terribly. It would seem to come up toward my chest. I would have smothering spells and feel dizzy. I would start across the floor and would have to sit down. At night I smothered so I couldn't sleep. I would go to bed and wake with a start and feel like I would smother to death. The doctors said it was my age and doctored and doctored, and I didn't get any better. I was almost discouraged so I began to look around for other remedies and while reading the Almanac I decided to try Black-Draught, which I did. I bought two packages and took it regular for awhile and it cured me and I don't have any more trouble of that kind."

If you suffer from stomach and liver troubles, give Thedford's Black-Draught a trial. It has helped thousands of others—why not you? All druggists. NCB-16

A Twentieth Century Model

The twentieth century model of the Ku Klux Klan has appeared. It hopped up in Birmingham, Alabama the other night when more than one hundred white-robed men, dressed in the Ku Klux Klan uniform, with an American flag and fiery cross at the head of the procession, rode through the streets of Birmingham, warning idlers to find work, and then do it.

The modern Ku Klux Klan can do a wonderful work if it so wills. If all reports be true, this order brought up to date will find a fertile field for its endeavors in the regions where it once thrived, in bringing slackers into the army and idling men to places of honest toil when the labor of every hand the sweat of every brow is needed to bring this conflict to a successful and glorious end.

This twentieth century Ku Klux Klan gives promise of accomplishing results, for the silent riders distributed cards bearing warnings that the United States was at war; that every man is needed—except those whose attitude is hostile to the government—and that the Klan intended to see that there was no idleness. The cards in part say:

"If you would be justly entitled to the toleration and protection you are enjoying, find work to do, and do it. . . . No able-bodied man, rich or poor, has a right to consume without producing. Take heed and go to work. . . . The eye of scrutiny is on you."

"Be respectful to the flag of our country and loyal to the government."

"Aid by every means at your command the suppression of disloyalty by either speech or action."

"The Ku Klux Klan is pledged to the enforcement of the above tenets."

Enthusiastic Patriotism

Tens of thousands of people have cheerfully given up their flour for use of the allies. From every state in the Union come reports of the success of a total abstinence movement. Some of the flour has come from farmers who had held a certain amount for use through the season. Other flour has come from people of the towns and villages and cities who have determined that until the next harvest at any rate they will eat nothing made of wheat flour. It is very important that the patriotic action of these thousands of men and women should not be confounded with the surrender of hoarded flour. Hoarding is unpatriotic and the Food Administration is ready to use all of its machinery to stamp it out, but the flour which came out in such a plentiful stream in response to the demand for food for the fighters was not hoarded flour. It came from the stores upon which the people were depending for their support during the spring. In giving it up they performed a voluntary act of patriotism.

A Fine Sentiment

Mothers Day will be observed all over the United States tomorrow

and in France, too. Over there the celebration will be confined to the writing of a letter back home and thoughts of the fireside where Mother holds sway.

No man in the American expeditionary forces has been allowed to forget mother. General Pershing, commander of the American forces in France, with the fate of more than 500,000 soldiers in his palm, took the time to send the following order to all commanding officers:

"I wish every officer and soldier in the American expeditionary forces would write a letter home on Mother's day. This is a little thing for each one to do, but these letters will carry back our courage and our affection to the patriotic women whose love and prayers inspire us and cheer us on to victory."

No finer sentiment could be expressed—and it came from a soldier who has ever before him the ideals of America, who is fighting a war to make the world safer for everyone to live in.

A Glance Into the Future

"I would like to have a pound can of burroughs."

"We are just out of burro, but we have a choice cut of horse steak at the same price."

The above dialogue may be repeated soon in the meat markets of Indiana.

H. A. Montgomery, of Los Angeles, Cal., writes to the Indianapolis Chamber of Commerce asking for a market of 1,000 horses and burros, "for canning."

The letter was referred to Dr. Harry E. Barnard, federal food administrator for Indiana. Dr. Barnard advised Mr. Montgomery that he knows of no "cannery" for burro and horse meat, but that if the meat is offered in a wholesome manner, he will interpose no objection to its sale for food.

The General Anzeiger, a German newspaper, warns the German lads of sixteen and seventeen that they are likely to be "called up at no very remote date for army service." This paper is published at Essen, the seat of the great Krupp munition works, where if anywhere, there should be knowledge of war conditions in Germany. But the Allies should not bank heavily upon this indication of waning German man-power. Fighting German lads in their teens will not be like taking candy away from a baby. The Civil War in this country was largely fought by the boys on both sides of the line, and their bravery set a mark, registered in regimental losses, which even the great world war in Europe has not yet attained.

Postmaster General Burleson blames mail delay upon the railroads, and cites recent delays of trains in support of his excuse. But the complaints of slow mail service have been prevalent for two years or more, while the railroad congestion is a matter of recent months. Delayed mail trains have been common only in recent weeks. How will Mr. Burleson explain the demoralized mail service prior to the train delays?

Potatoes Won't Make You Fat
If you are doing your bit, do not fear for your figure. Eat well and look well. POTATOES won't make you fat. They supply energy for your war work. Use up the energy as fast as you can, and do not worry. Advise the United States Department of Agriculture for new POTATO recipes.

BEST IN THE LONG RUN

The Cold Figures of It

ATLANTIC FLEET	254	012	TIRE MILES
PACIFIC FLEET	186	960	TIRE MILES
MOUNTAIN FLEET	186	796	TIRE MILES
PRAIRIE FLEET	186	744	TIRE MILES
LAKE FLEET	217	372	TIRE MILES
DIXIE FLEET	3285	860	TIRE MILES

TOTAL 4,178,744 TIRE MILES

GOODRICH TESTED TIRES

AT the City of Goodrich, they have officially announced the grand mileage of Goodrich's nation-wide Test Car work of 1917:

1,044,686 linear miles.
4,178,744 tire miles.

Those figures indite the Emancipation Act of motorists, freeing them from tire mishaps and amputated mileage.

Compressed in them is the story of the famous Six Fleets, and how they hurled Goodrich Tires the length and breadth of our nation, over city pavement and country road, ploughing them through sand and mud; mauling them against rock and gravel.

Mathematics has no favorites. That multiplied mileage of 4,178,744 miles coldly, calculatingly, puts the seal of multiplied proof on Goodrich Tires, and stamps them "Tested." In that searching test, no slightest defect, no hidden short-coming could escape the sight of the Goodrich experts.

SILVERTOWN CORDS, and BLACK SAFETY TREADS, under light and heavy cars, defied the rough going of roads wherever the Test Car Fleets rushed them.

The spiral-wrapped, cable-cord tire body, and Goodrich's tough black tread rubber fought the hard fight and conquered.

Seek tire surety and long mileage in the proven service of "America's Tested Tires." Goodrich guarantees you will get it because Goodrich tested and got it.

Tested Tires mean 100 per cent. quality. Demand it. Tested Tires mean supreme service. Demand it.

**Save 25% in the Price
50% in Upkeep**

THIS 3/4-TON REO "Speed Wagon" is the result of Reo manufacturing facilities—Reo efficiency—Reo experience—so the price is 25 per cent less than that of other trucks of similar quality.

NO—WE DIDN'T SAY the same quality—we said similar.

FOR WE WON'T ADMIT that any other truck of same rated capacity is quite as good as this Reo.

WE KNOW OF NONE that will carry the same loads over the same routes day after day; or the same overloads when occasion demands; and stand up under the strain as this Reo does.

AND THAT BRINGS US back to the fact that this Reo "Hurry Up Wagon" is also Reo designed.

REO ENGINEERING is sound engineering; the oldest, therefore the ripest in the industry.

AND COST OF UPKEEP is determined, first in the design and then in the manufacture.

THIS 3/4-TON REO has proved to be lower in upkeep than any other truck of same capacity—regardless of price.

NOW, OBVIOUSLY a truck that costs 25% to 100% more in the first place should cost less for upkeep.

THAT IS THE THEORY on which the buyer pays the higher price.

AND IT DOESN'T HOLD—any Reo representative can show you figures galore on that point—and Reo always leads.

IF YOU DESIRE the dependability and low upkeep—and of course those are the very qualities you most need in a commercial vehicle—decide on this Reo and have, back of your own judgment, that of thousands of satisfied, delighted, enthusiastic owners.

The Bussard Garage

THE GOLD STANDARD OF VALUES

HUN ARCHITECTS WILL LOSE WORK

When Indiana Plans Memorial in Honor of Heroes German Sculptors Will not be Employed

OUR HEROES CARVED AS HUNS

Monument in Indianapolis Is Example—German Features Stamped By German Artists

(By United Press.)

Indianapolis, Ind., May 11.—The state of Indiana has not yet made arrangements for honoring her heroes in this war, but when she does, it is practically certain that she will not allow a German architect or a German sculptor to do the work.

The Soldiers and Sailors monument which stands on the Circle in Indianapolis, in tribute to the memory of Hoosier sons who have fallen in other wars, was designed entirely by Germans.

Bruno Schmitz was the architect. Rudolph Schwartz was the sculptor.

Both lived in Germany. As a result the Kaiser moustache and the Teuton features are stamped on practically every statue. Even the negro, in the group representing the cutting of the chains which tied him during the days of slavery, has the characteristic features of a Hun in his face.

The soldiers and sailors which Indiana sent in answer to the nation's call in the Spanish-American and Civil wars, were all Teutons, judging from their features. They look more like Hindenburgs than like Mortons, Whitecombs, Clarks or Logans.

Although the features of Miss Indiana, who raises her hand 318 feet above the ground, are not distinctly visible, it is probable that the German artists have stamped on her face the lines of a German frau.

The monument is one of the most magnificent in the United States.

CITY EDITORS MEET IN ANNUAL GATHERING

William G. Shepherd, United Press War Correspondent to Address Meeting Sunday Afternoon

IS NATIONAL ASSOCIATION

(By United Press.)

Indianapolis, Ind., May 11.—City editors of papers in many states gathered here today for the annual convention of the National City Editors' Association. Hassel T. Sullivan, of the Indianapolis News, is president of the organization. The meeting will continue over tomorrow.

James Schenck, publisher of the Detroit Times was on the program for an address this afternoon. Gov. Goodrich and Medill McCormick, Illinois congressman, will be the principal speakers at a banquet tonight.

At a public meeting Sunday, William G. Shepherd, United Press war correspondent, J. W. Husted, congressman from New York, and Chas. B. Timberlake of Colorado, will speak.

U.S. DEPT. OF AGRICULTURE HOW TO GROW

Spinach

Spinach thrives in a rather cool climate and attains its best development in the middle South where it can be grown in the open ground during the winter. Farther North it is necessary to protect the plants during the winter with a mulch of straw or leaves. To protect good spinach a rich loam which will give

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. A little zemo, obtained at any drug store for 35c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress. The E. W. Rose Co., Cleveland, O.

ANNUAL MEETING HELD IN CARTHAGE

Heads of Various Departments in Methodist Church of Connersville District Will Convene

WILL BE THREE DAY SESSION

Four Rush County Ministers Will Appear on Program Which Is Most Excellent in Years

All of the heads of the various departments of the Methodist church of this district will meet in the annual district conference in Carthage which will open Monday evening, May 20 and continue until Wednesday noon.

Dr. J. M. Walker, district superintendent, will preside at the meeting when seventeen ministers prominent in the church work in Indiana, will appear on the program. Dr. P. L. Frick, pastor of the Meridian Street Methodist church, Indianapolis, will deliver the address at the opening. Dr. O. W. Eifer, pastor of the initial session and on Tuesday evening Central Avenue Methodist church of Indianapolis, will address the convention. "Patriotism and Prayer" will be the subject of Dr. Eifer's lecture.

A large delegation from St. Paul's Methodist church of this city will attend the convention, which is called for all traveling and local ministers, all district stewards, district presidents of the Epworth League, district presidents of home and foreign missionary societies from each pastoral charge.

All of the sessions will be held in the Fletcher Methodist church in Carthage. The program, which was arranged by C. E. Bacon, J. W. McFall, C. S. Black, Joseph Pope and A. H. Pitkin, embraces the most vital topics of the day which will be discussed by some of the most distinguished men in Methodism in Indiana.

Among the Rush county ministers who will take part in the program will be the Rev. Fred C. Lebert, the Rev. J. Ed. Murr, the Rev. F. M. Westhafer and the Rev. J. W. McFall. The sessions will open at 7:30 each morning, 1:30 in the afternoon and 7:30 in the evening.

ELECTED CHAIRMAN OF BOARD OF EXAMINERS

Dr. D. Ira Lambert Chosen For Position With Lane Theological Seminary of Cincinnati

FORMERLY A STUDENT THERE

The Rev. D. Ira Lambert, pastor of the First Presbyterian church of this city has been elected chairman of the board of examiners from Indiana and Ohio for the Lane Theological seminary in Cincinnati.

Dr. Lambert represented the presidency of this district at the annual conference which was held this week at the seminary, in connection with the annual commencement exercises. Dr. Lambert was a former student at the seminary from which he received his degree and since his entry into the ministerial field, has been closely related to the administrative department of the school.

The plants a quick growth is required. Fall planting is to be recommended wherever this is possible, as the fall-planted spinach is not as much inclined to go to seed as that planted in the spring. One ounce of seed is sufficient for a 100-foot row, and this crop may be sown in drills about 1 foot apart.

Spinach is an easily grown garden crop, and there is perhaps no other of its kind that will give as good satisfaction. In gathering spinach the entire plant is removed rather than merely cutting off the leaves. The larger plants are selected first, and the smaller ones are thus given a chance to develop.—U. S. Department of Agriculture.

C. H. TOMPKINS

Doctor said, "Bio-feren had done wonders for her."

Case 1724—School teacher; Residence—Kentucky; severe operation; left her weak, anemic, nervous; low vitality. Physician recommended Bio-feren. Two weeks' treatment showed remarkable improvement. Doctor reported, "Bio-feren had done wonders for her."

Another case—Pennsylvania, reports: "I have taken about one-half of the Bio-feren pellets and must confess that I feel like new."

A Kentuckian woman says: "I have taken Bio-feren regularly and feel much better. I can use my arms much better. However, can not get my hands to my head sufficiently to comb my hair. But I feel that I will soon be able to do that."

You want the vigorous health and ruddy beauty that is dependent on strength, nerves and red blood. Everybody does. Read those reports above, again. You, too, if you are dragged down in health and strength because of overwork, worry, nerves, and similar causes can rebuild your health and strength with Bio-feren. It is not a stimulant. It is a builder—a builder of better health.

Bio-feren contains some of the best ingredients known to the medical world, and is indicated for the treatment of run-down conditions due to overwork, worry, anemia, melancholia, nervous debility, debility following infectious diseases, convalescence from acute fevers, etc.

There is no secret nor mystery about Bio-feren. Every package shows the elements it contains. Ask your physician about it, or have him write and we will send him complete formula.

And don't forget that Bio-feren is sold only on condition that you will return the empty package and allow us to refund your purchase price if, for any reason, you are not fully satisfied. Please bear that in mind for it is very important.

Bio-feren sells at \$1.00 for a large package. Your druggist can supply you or we will send it direct upon receipt of \$1.00; six packages for \$5.00, should you have any trouble in securing it. The Sentinal Remedies Company, Masonic Temple, Cincinnati, Ohio.

Hopes Women Will Adopt This Habit As Well As Men

Glass of hot water each morning helps us look and feel clean, sweet, fresh.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.

HE NOW LAUGHS AT THE MEN AT THE TABLE.

This Man Was Always Ill at Ease While Waiting for His Dinner, Until—Pepsinco.

He would order a few little things and see visions of pains, nausea, misery and everything but enjoyment when they were put before him. Much or little never failed to leave the same miserable, disagreeable, sick headachy feeling. He had to eat and suffered the consequences.

He thought he was doomed to eternal chronic stomach trouble. He doctored, used many remedies, but no help.

A stranger, a good Samaritan, saw his condition; asked him the reason; offered him Pepsinco, and now a happy, smiling diner awaits the steaming dishes.

If your stomach bothers; if your food sours or disagrees with you; if pains follow a meal and sick headache is a rule, stop at the drug store and get a small package of Pepsinco now today. It is a positive remedy for bad stomachs.

Proceeds Go To K. Of C. Camp Fund

Immaculata Sodality Will Hold Bazaar Next Wednesday and Thursday Evenings. Preparations for Event Cover Period of 2 Months and Many Articles Will Be Sold.

A meeting of the Immaculata Sodality will be held tomorrow afternoon at four-thirty o'clock in the Knights of Columbus club rooms to make final arrangements for the bazaar which will be given next Wednesday and Thursday evenings in the K. of C. Hall.

The members of the sodality have been busy during the past two months preparing for the annual event and as a result, a multitude of articles have been completed for sale, the proceeds of which are to be given to the Knights of Columbus war camp fund.

Mr. and Mrs. M. L. Stewart were pleasantly surprised with a pitch-in supper at their country home near New Salem, Wednesday evening when thirty-one guests were entertained. The dining room was arranged in a most artistic manner and for the dining table a center bouquet of spring flowers was arranged artistically. The guests included Mr. and Mrs. Lon Rhine, Mr. and Mrs. Edgar Morris, Mrs. Amanda McKee, Mr. and Mrs. J. C. Reynolds, and sons Willard, Farris and Whorton, Miss Ruby Stewart, Wesley Smith, Homer Roberts, and Stanley Stewart of New Salem, Mr. and Mrs. Bert Norris and daughter, Rena May, Mr. and Mrs. Orlan Meyers, Mrs. Mollie Coons, Mrs. Dessie Hoffman and son George, Miss Ida Stevens, and Isaac Stevens of Little Flatrock, Mr. and Mrs. Paul Daubenspeck and son Robert of near Rushville, and Mr. and Mrs. Bert Wilson and sons Alton and Lowell of near Milroy.

Mrs. Edna Taylor was hostess to the aid society of the M. E. church of New Salem, Thursday afternoon. Besides the members of the society the guests included the Misses Bertha Moore and Letta Humes of New Salem and Miss Myrtle Williams of Laurel. An interesting program was given, consisting of a Bible study by Mrs. Will Miller, and several vocal solos by Mrs. Ira Humes. Lilies of the Valley were used profusely about the rooms, and a color scheme of yellow and white was carried out in the ices and confections which were served at the close of the pleasant meeting.

Nineteen candidates were initiated at the regular meeting of the Rebekah Lodge in the Odd Fellow's hall last night. The degree work was put on by the local team. About 175 people attended the meeting including guests from Arlington, Knights-town, and Milroy. Excellent music was furnished by the Odd Fellow's orchestra.

Mrs. Guy Mulbarger entertained the members of the Friday Afternoon Embroidery club and several guests yesterday afternoon, at her home in North Harrison street. The guests were asked to bring their needles and thimbles, and spent a very pleasant afternoon over Red Cross work, after which light refreshments were served by the hostess.

AFTER THREE YEARS

Many men and women are sick and don't know it. Some never discover they have kidney trouble until they apply for life insurance. The kidneys are working all the time, filtering poisonous waste out of the blood stream, and when they become weakened or deranged, backache, pains in sides and groins, so-called rheumatism, languidness, swollen joints and other symptoms develop. W. B. Moss, Ogden, Ark., writes: "Foley Kidney Pills relieved me of severe kidney troubles of three years standing." F. B. Johnson—Adv. 2

Red Cross Egg Drive Lends Aid

Work of Washington Township Women is Being Praised by Red Cross Authorities Who Urge Other Auxiliaries to Follow Example in Money Making Scheme.

If other townships in the county, in which Red Cross work is being done, would follow the example set by Washington township, each auxiliary would be able to take care of all Red Cross expenses and in addition assist financially in other war relief work.

The egg drive which occurred a short time ago among the Red Cross workers in Washington township, brought receipts amounting to \$171.91. Five hundred and twenty-five dozens of eggs were gathered and sold for thirty-two cents a dozen. The proceeds resulted from the members of the Red Cross donating all of the eggs which were gathered in one day for the Red Cross.

Sewing material and yarn for the use of the auxiliary members of the Washington township Red Cross will be purchased with part of the funds, in addition to the garments which will be made for the boys from Washington township who have joined the colors. The remainder of the fund is to be given to the Red Cross county chapter.

Social Calendar

Monday

Monday Circle with Mrs. Ralph Payne in North Harrison street.
Tri Kappa with Miss Mary Williams at the home of Mrs. Al Williamson, in North Perkins street.

The regular weekly meeting of Tri Kappa will be held with Miss Mary Williams at the home of Mrs. Al Williamson at 1204 North Perkins street Monday night.

Dr. and Mrs. F. H. Finlaw of Arlington have gone to Cincinnati to attend the wedding of Mrs. Finlaw's brother, Lee Shepherd, which will take place tonight.

The next meeting of the Monday Circle, May 13, will be with Mrs. Ralph Payne in North Harrison street instead of Mrs. Lowell Green as announced in the program.

Red Cross Notes

The ladies of the St. Paul's M. E. church will work at the Red Cross headquarters, Monday afternoon. A good attendance is desired as there is an enormous amount of work being completed at the local headquarters.

SKILLED MEN ARE WANTED FOR ARMY

Continued From Page 1
and their helpers are to be sent to Fort Myer, Virginia, and five railroad car repairmen will be called to Fort Leavenworth, Kansas. Ninety gunsmiths, instrument makers and repairmen will go to Camp Hancock, Georgia, and fourteen veterinarians will be sent to Camp Lee, Petersburg, Virginia.

The board is instructed to notify the state conscription agent each day of the number listed under these calls.

Lowell Henley of Carthage, has written that he has charge of a power house. He is with a motor mechanics company and his present location is the 8th his regiment has been in since arriving across the seas.

WANTS TROOPS DISBANDED

German Ambassador to Russia Issues an Ultimatum

(By United Press.)

Moscow, May 11.—German Ambassador Mirbach to Russia has issued an ultimatum to the Bolshevik government demanding that it stop arming troops and disband those already armed.

He also declared the question of transporting German prisoners of war at home must be settled quickly. He mentioned possible German occupation of Moscow as an alternative.

With The Churches

—St. Paul's Methodist Episcopal church, the Rev. Clyde S. Black, pastor: Sunday school, 9:30, H. C. Flint, supt. "Mothers Day" will be observed in connection with the morning worship at 10:30. The pastor will preach on the theme, "The Queen of the Home," and special musical numbers will be rendered. Junior League at 3 o'clock and the Epworth league will celebrate the anniversary of its organization by rendering a program of songs, sketches and tableaux in the church auditorium at eight o'clock. "Keep the League Fires Burning" is the title of the program to be rendered. Everybody is cordially invited to these services.

—A combination service of the Bible school and church will be held at the Main Street Christian church beginning at 10 o'clock. The excellent program as already published will be followed. The time of the evening service has been changed and will begin at 8 o'clock; subject of sermon, "The Second Coming of Christ." Orchestra and chorus choir at the evening service. Prayer and praise service Thursday evening at 8 led by Mrs. Fannie Amos. Attendance at many if not all of these services is urged.

—First Baptist church, services in charge of the pastor: Sunday school, 9:30; public worship, 10:45 a. m. and 8:00 p. m. The subject for the morning hour, "The Song of Mary." Mother's day will be observed with sermon and appropriate music. It is desired to have all the Mothers of the congregation present. Theme for the evening sermon "Blessings of Infirmitates." Baptist Young Peoples Union will meet at seven o'clock. The public is invited to all these services.

At Pleasant Ridge: Bible school, 1:30 p. m.; Mother's Day will be observed there at 2:30 p. m. Every body cordially invited to all of our services. Dr. John Mann Walker, the new district superintendent, will hold quarterly conference at Pleasant Ridge, May 18, 2:30 p. m. He will preach at the same place Sunday May 19, 10:30 a. m. He will be pleased to meet everybody who can be present.

—United Presbyterian church; Sunday services in charge of the pastor; Bible school at 9:30; preaching at 10:45, sermon theme, "Honor Our Mothers." The hour of the evening services has been changed; the young people will meet at 7 o'clock, and evening worship at 8 o'clock, sermon topic, "Peter's List of Valuables." Usual prayer meeting services Thursday evening at 7:30.

—The services at St. Mary's Catholic church will be conducted by the pastor, the Rev. M. W. Lyons. Morning services at eight and ten o'clock with vespers and benediction at three o'clock in the afternoon.

—Manilla and Pleasant Ridge Methodist: at Manilla, Bible school 9:30 a. m.; Epworth League, 6:30 p. m.; preaching, 10:30 a. m. and 7:45 p. m.; Mother's Day will be observed in the forenoon service.

—Elder King of Indianapolis will preach at the New Salem M. P. church Saturday night at 7:30 o'clock and at the Little Salt Creek Baptist church Sunday morning at 10:30 o'clock.

—The services for the United Presbyterian church at Glenwood will be Sunday school at 1:30 and preaching at 2:15.

CLARK SPEAKS IN STATE

Pt. Wayne, May 11.—Champ Clark speaker of the house of representatives was here today to open the national democratic congressional campaign. Members of the Indiana state committee and representatives of the democratic organizations in all parts of the state were expected.

The monthly meeting of the hotel and restaurant keepers which was scheduled for yesterday afternoon was postponed because a number of the members of the association were unable to attend the meeting. The meeting will be held next Friday afternoon in the Cozy Cafe.

READLE CASADY GETS FIRST PLACE

Wins Honors in Junior Four-Minute-Man Contest Friday at Junior High School

MERVIN ALEXANDER SECOND

Appearing in Boy Scout Uniforms. Contestants Speak on Liberty Loan and W. S. S.

Readle Casady was awarded first prize in the Junior Four-Minute-Man contest which was held yesterday afternoon before the junior high school. Thirteen boys participated in the contest.

The local contest was held in cooperation with the national movement to promote interest in public affairs among the school students. The subjects for yesterday's contests were various phases of the Liberty Loan and War Savings stamp sales. The second place in the contest was awarded to Mervin Alexander and the third to Robert Gantner.

All of the participants appeared in their Boy Scout uniforms and gave their addresses without notes, injecting into their delivery a note of earnestness and fervor which was most noticeable to those who heard the speeches. Because of the excellent manner in which the students completed their first contest in public speaking, the five boys who ranked highest will deliver their four-minute speeches before the students of the other schools next week.

The boys participating in the contest included Readle Casady, Mervin Alexander, Robert Gantner, Harry Lee, Glen Summerville, Warren Dagler, Charles Brown, Wado Dill, Herman Phillips, Ivan Alexander, Oliver Cartmel, Lowell Headlee and William Vance. The contest was in charge of Miss Nelle Casady and with the exception of one boy who used a set speech, the addresses were original and prepared by the contestants without any assistance.

The name of Readle Casady, the winner of the first prize, has been sent to Washington from where he will receive a certificate from the president acknowledging him as one of the four-minute speakers of the country.

HUSBAND OF LOCAL GIRL RISES IN NAVY

Wesley I. Kelley, Jr., Chosen from 22 to Attend Second Major District Officers School

MARRIED MARGARET GRAY

Wesley I. Kelley, Jr., of Minneapolis, Minn., has been chosen from two hundred men, in training at Newport, R. I. to attend the second major naval district officers training school, where he is now located.

The young naval cadet officer who is known in this city has been in naval training since last August. Since the time of his enlistment as a seaman, he has made rapid advancement. While stationed at Zerk-Benna Island, California, he was recommended for the Petty Officers training school and after completing the work there successfully was ordered to Newport, R. I. where the adjutant commander of the station selected the young seaman for officers training.

Cadet Kelley was married last summer to Miss Margaret Gray who is making her home with her parents, Mr. and Mrs. J. A. Gray east of the city.

GOT GOOD RESULTS

This honest, straight forward letter from a woman who has suffered should be heeded by all afflicted with backache, rheumatic pains, sore muscles, awful tired feeling and other symptoms of kidney and bladder trouble: "I have got such good results from Foley Kidney Pills that I can sleep much better and the pain in my back and sides is a good lot better. I am going to keep on taking them." Mrs. Chas. Gray, 270 8th St., Detroit, Mich. Y. E. B. Johnson, Adv.

LOCAL PEOPLE TO BE ON PROGRAM

Mrs. J. D. Case and the Rev. L. E. Brown Will Speak at State Convention of Christian Churches

AT NEWCASTLE NEXT WEEK

Sessions Will be Held Morning, Afternoon and Evening on Both Monday and Tuesday

Workers in the various divisions of the Sunday school and church work of the Main Street Christian church will attend the annual state convention of the churches of Christ which will be held in Newcastle next week.

The initial session of the convention will be held Monday afternoon, May 13 and will consist of a meeting of the ministerial association of the state. The feature of the meeting will be an address by F. E. Smith of Muncie, who will take for his subject, "The Message of a Month at Camp Shelby." The annual banquet will be served in the evening and among the toast responses will be a short talk by the Rev. L. E. Brown, pastor of the local Christian church.

All registering will be at the First Christian church where the convention delegates are asked to report immediately upon their arrival in the city. All of the sessions will be held in the First Christian church with the exception of those of the State Ministerial association, which will be held in the First Methodist church.

Sessions will be held each morning, afternoon and evening. What promises to be one of the most interesting sessions of the entire meeting will be Thursday afternoon and evening when various phases of Sunday school work, Christian Endeavor and the C. W. B. M. department will be discussed.

Mrs. J. D. Case, who is a member of the executive board of C. W. B. M. work in this district, will appear in the program Thursday afternoon in the discussion concerning the five years C. W. B. M. development campaign. "Reaching the Financial Aim," is the subject of the address to be delivered by Mrs. Case.

Another feature of Thursday's program will be an address at the closing session by Stephen J. Corey, of Cincinnati, Ohio, who is national secretary for the foreign missionary society of the Christian church. S. G. Inman, prominent in Christian church work, who is also secretary of inter-denominational work in Latin America, will deliver an address at the opening session Thursday.

MINISTERS HELP IN CONSERVATION PLAN

Food Administration Addresses Appeal to Local Pastors Asking Their Co-operation

COUNTY TO ENLIST SUPPORT

Ministers in Rushville, pastors of local congregations, have been asked to co-operate with the food administration in their program for national conservation.

Appreciating fully the inspirational power of the churches and acknowledging the importance of a closer relationship between the churches and the food administration, appeals have been sent to local ministers asking them to set before the people the necessity of production and of conservation.

Steps have been taken in Rush county to enlist the active support of the churches in all conservation movements and a committee to take care of the support of the religious organizations has been named with the Rev. Clyde S. Black as chairman.

TO OFFICIATE AT FUNERAL

The Rev. L. E. Brown, pastor of the Main street Christian church will officiate at the funeral service for Mrs. William R. Porter which will be conducted tomorrow afternoon at three o'clock at the Central Christian church in Connersville. The deceased was 69 years of age and although all of her life had been spent in Fayette County, she was well known in the northern part of Rush county.

Why the Great German Push Has Failed

Victory is the bag of oats continually dangled in front of the German people, remarks the Chicago Daily News; "they never get it but they believe it is never far away." Thus while the Kaiser declares flamboyantly that "the people who wish to destroy us are digging their own graves," the desperate German thrust in the battle of the Western front fails disastrously; General Ludendorff announces that "the idea of forcing success by the employment of masses must be abolished absolutely" because "it only leads to unnecessary losses;" and, as the New York World notes, even the Berlin battle-bulletins begin to read as tho it was an Allied offensive which is being victoriously resisted by the Germans.

Meanwhile, American battalions are fighting valiantly on a sector of the Picardy front which blocks the way to Amiens, and the process of fusing the Allies into one invincible army—the greatest ever commanded by a single General—is being accelerated and completed in the furnace of the German offensive.

There is a searching analysis and review in THE LITERARY DIGEST for May 11th, of the great drive on the Western front showing all its many angles, and drawn from all sources of available information.

"The Digest" the Most Trustworthy Historian of the War

Now that the armies of the Allies are locked in a death grapple with the invading Hun, armies of which our own "boys in brown" are an integral and active part, it becomes a matter of vital importance for each one of us to know as nearly as may be just what is transpiring at the front, how the battle is going along those three hundred odd miles which mark for us the Frontier of Freedom. The daily papers give some idea of the situation, but their statements to-day are not infrequently colored by an optimism that has to be modified to-morrow. The only real way to get the facts accurately is from a careful summary of all reports made after the event, when time has been given to obtain perspective. Such a summary you have weekly in THE LITERARY DIGEST, the columns of which form a unique condensed history of the struggle. Read it and know the truth.

TRACK MEET IS POSTPONED

Triangular Event Held up Today Because of Bad Weather

Because of the weather conditions the triangular track meet which was to have been held in Shelbyville today, was postponed for a few days. The meet was to be held in the Shelby county fair grounds where the track teams of the Shelbyville high school, Manual training high school of Indianapolis and Rushville high school were to vie for a silver loving cup, the first prize of the meet. The postponed date for the meet has not been decided, but next Saturday the local team will go to Franklin to take part in the state meet.

Doing Without Wheat

Bread and milk make a meal; so will mush and milk.
Bread and gravy go together; potatoes and gravy are just as nourishing.
Toast and fruit are fine for breakfast; but any other cereal with fruit will stay the stomach as effectively.
Griddle cakes, muffins, all sorts of quick breads, can be filling and appetizing without any wheat.
After all, what we have to do is eat less bread. Often we eat it to convey other food: we even use bread to push mouthfuls upon the fork.
There is one test. Wherever bread is used for convenience, that is the place to leave it out.
Habit tells us to use bread; the body's needs tell us only to provide sufficient nourishment, we must

learn to think in terms of nourishment and not let habit hinder us.
Going without wheat wherever we can is one thing we can do to win the war—perhaps the largest contribution we can make.

COURT OF BOSTON CLOSED

(By United Press.)
Boston, May 11.—The court of Boston has been closed by the orders of the navy department. Naval authorities would make no statement other than to say that the court probably will be closed temporarily.

NOTICE TO NON-RESIDENT

The State of Indiana, Rush County. In the Rush Circuit Court, February Term, 1918.
Delana C. Bear and Wilbur S. Bear vs. Union Cedar Company and Elmer Hutchinson.

Now come the plaintiffs, by Kiplinger & Smith, attorneys, and file their complaint herein, together with an affidavit, that the residence of the defendant, Union Cedar Company, is unknown, and that diligent inquiry has been made to ascertain the residence of said defendant, but that said inquiry has not disclosed the residence of said defendant.
Notice is therefore hereby given said Defendant, that unless they be and appear on the 17th day of June, 1918, at the court house in Rushville in said county and state, and answer or demur to said complaint, the same will be heard and determined in their absence.
In witness whereof, I have hereunto set my hand, and affixed the seal of said court, at Rushville, this 25th day of April, A. D. 1918.
GEO. B. MOORE, JR., Clerk
April 27-May 4-11-18
